

Ring Sizing

Make sure you check your ring size before making a purchase!

Simply print out our PDF file below to view the ring sizes to scale.

Then place the ring that already fits you over the circle, making sure the inside of the ring lines up with the outside of the circle.

1. Print out at 100% - make sure you do not select the 'scale to fit page' or 'shrink to fit page' option.
2. Check print size- the line below should measure 5cm.
3. Place the ring over the circles opposite.
4. Find the circle which completely fills the inside of the ring without overlapping.
5. Your ring size is the letter shown within the circle.
